ORDER

One week after the deadline to file his motion for summary judgment, plaintiff filed a stipulation to extend the court's generous 45-day timeline by an additional 49 days. The parties are reminded that failure to request an extension before the deadline may result in sanctions. For good cause shown, the requested extension of plaintiff's time to file a motion for summary judgment brief is extended to January 10, 2022. No further extensions for plaintiff will be granted absent extraordinary circumstances.

IT IS SO ORDERED.
